Re: In the Matter of Albion-Sheridan Township Landfill  
Docket No: VW90-C-051

Dear Beth:

This will confirm that our client, Richard C. Remes, Trustee in Bankruptcy for Brooks Foundry, Inc., does not intend to comply with U.S. EPA's March 21, 1990 Administrative Order.

As stated in my April 26, 1990 letter to you, we believe Mr. Remes, as Trustee, cannot participate in a response to a Section 106 Order unless and until relief is obtained from the automatic stay, and the Trustee is thereafter authorized and directed by the Bankruptcy Court to participate in the response.

Moreover, we were recently advised by Alan Tenenbaum that Mr. Remes, as Trustee in Bankruptcy for Brooks Foundry, Inc., will be removed from the list of respondents to this 106 Order. I look forward to receiving official notification of that fact in the near future.

In the meantime, if you have any questions, please call.

Sincerely,

MILLER, CANFIELD, PADDOCK AND STONE

Michael B. Ortega
